## FROM THE DIRECTORS...

**George Ester (Security):** The rules remain the same. No speeding. Limits are posted as 15 or 10 mph. The camping season is about to begin so it is very important that you follow all stop signs and speed limits. Bikes are to have front and rear lights after dark. You are not to give your gate pass to anyone. It is for your use only, and if you are found to be giving it away to let other guests in, it will be shut off and you will be fined. All members are required to fill out a visitor pass and leave it at the office PRIOR to their guests arrival. When using the gate, only one car at a time is to enter. No bumper-to-bumper entry will be permitted, and you will be fined for doing such if you're caught. All golf carts are to be registered and inspected, and are to have front and rear lights.
