WINTER CLUBHOUSE and OFFICE HOURS

The clubhouse is opened at 7 am daily and often remains open into the evening. There is always someone available to answer the phone, however, the office is only staffed for several hours during that time. If you need to take care of some business at the office it's best to call ahead to be sure someone will be there who can take care of your needs (electric or dues payment, guest passes, winter guest camping, change for laundry, etc.). As spring draws near we will go back to a regular office schedule.

FROM THE DIRECTORS...

George Ester (Security): The new security camera system will be installed & operational the first week of March.
We have our eye on you...so **BEHAVE**.

Bill Lubawy (Sales): I have been tracking the results of our exposure at the Cleveland & Pittsburg RV shows as far as free weekends reserved, LV info packets mailed to very interested campers, email communication, etc. I expect the numbers to increase in the spring months, and will report the results at the first membership meeting on Memorial Day Weekend. Our internet traffic has been exceptionally high since attending the shows. We have sold one Phase I membership and are closing some deals pending on Phase II once folks pay in full with their tax returns. The sales office is being remodeled as we speak and will be ready for the spring business market.

Rick Miller (Finance): We are always looking for help from our members. There are three ways in which you can do so. First, join us in helping with our Work Days. Second, make a donation at the office. Third, and **MOST IMPORTANTLY**, you can help us gain new members, by talking to your friends and family about our campground, and what we have to offer.

Jerry Rush (President): We have a new Director, as Secretary. Please join us in welcoming **Roxann Bertino**. I want to thank everyone for all their help.

Mary Simpson (Member Services): Spring is coming!! Along with spring will be a fresh & alive campground. New paint & a lot of work has brought with it a new look for our Clubhouse. The Party Center is also undergoing repairs & a facelift. New T-shirts are here & available with a new & fun design. Hope you will come and enjoy your campground!!!

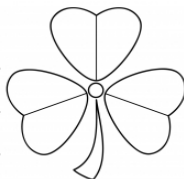

Also, I would like to extend a gracious THANK YOU to our new lifeguard, **Dustin**. He is doing a wonderful job, and managed to save the child of one of our new members during an incident at the pool. Thank you so much, Dustin, for a job well done and for being so attentive to our swimmers' safety!!

Duane Squibbs (Maintenance): Our first Work Day of 2010 is tentatively set for the last Saturday in March, weather permitting. Call the office for details and a specific date (should it change). Also, let us know if you would like to join us for our Work Day, so we can count you in for our **complimentary** dinner. We've been busy repairing the tresses in the Party Center as well as giving the inside a facelift.
