George Ester (Security): Observe the speed limits & stop signs. No hunting or use of firearms is permitted within LV campgrounds or surrounding areas. LV property may not be used to access neighboring properties for the purpose of taking game. Every camper is subject to the laws of the State of Ohio and any violation will be prosecuted if necessary. Dogs must be on a leash and tied up at all times. All golf carts must have front & rear lights and follow all traffic rules, including stop signs. No alcohol is to be in or on a golf cart when in operation. No one who does not have a valid drivers license is to be driving golf carts AT ANY TIME. Bikes are to obey all stop signs, and have front and rear lights after dark.

Roxann Bertino (Sales): We would like to welcome all our new members so far this season. They have really brought life to our campgrounds, and we look forward to continuing to watch us grow. If any member knows of any campers who are looking for a place to camp (permanently, seasonally, or just for a weekend) be sure to send them here to Lake Village, as this is now a campground that we can be proud to show off and call our own. If you have any ideas that will help broaden our sales, feel free to speak with either myself or Kayla, and we will look into any possibilities you may have. We greatly appreciate all the help from our members in helping to sell lots and clean up our grounds to make it appealing to all who visit.

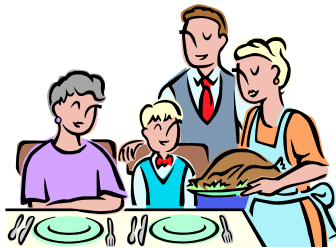

Shirley Spiesman (Member Services): We are working hard to make sure that all of our Member's account records are accurate and that the office staff, including Directors, are familiar with the procedures required to serve you. Please be patient while we undergo some office organizing & training to be sure that your needs, such paying electric bills, dues bills, accessing account info., & other important tasks, are handled quickly & efficiently when needed. If you have any questions about your account feel free to come in and check. We are always open to suggestions on how to better serve you.

Mary Simpson (Finance): We are currently working to keep our finances in good standing. I would like to put our members' minds' at ease by saying all rumors of shutdown are false, and we will continue to stay afloat, and eventually flourish. Thank you for your cooperation during this time of change.

Night at the Races

Coming Labor Day Weekend 2011.

So....you've never been to a "Night at the Races" event? Here's what happens.

You receive a program when you arrive so you can place bets on horses (usually \$2).

Actual races are shown on a screen and winners are paid cash. (10 races)

There will be other raffles as well, and dinner for a fee.

The program is put together with each race on a page and advertising that is sold to anyone who wants to place an ad (businesses or individuals). Horses in each race are "owned" by LV members who pay \$10 per horse to own it and give it a name. Horse owners also are paid if their horse wins.

So, it's an evening of good fun, food, cash prizes and lots of excitement in cheering for your horse(s).

The office will soon have a race schedule where you can sign up your horse(s). We will also begin seeking advertising from members with businesses, local merchants, or anyone who wants to put a message in the program.

More questions...contact Jane Spellacy or Isabelle Soukup.

Welcome...New Members!
